Dear Aditi,

We are in process of procuring 32 rats, which we will receive on Wednesday to complete the remaining part of your study.

The original budget of Rs. 1,06,040.00 was quoted earlier. But as you are aware, due to repetition of studies, increase in study period, time lost in validating method, we will not be able to complete the study in the above mentioned cost.

Rs.50,000 extra than the original budget will be required to complete the studies.

You have paid Rs. 50,000 in year 2019. We request you to pay second instalment of Rs. 56,040 as soon as possible and also give your consent for the extra cost (Rs. 50,000/-) so that we can proceed with the study.

F.No. 13.23/2020-21/DICT/CJET

Date: 22nd January, 2021

Prof. Amarendra Prasad Behera

Joint Director

Sub: Jury Meeting for finalization of National ICT Awards for School Teachers- 2018 & 2019 – reg.

Madam,

The NEP-2020 has emphasized that "Teachers truly shape the future of our children and therefore, the future of our nation. The motivation and empowerment of teachers is required to ensure the best possible future for our children and our nation. Teachers will be recognized for novel approaches to teaching that improve learning outcome in their classrooms". To motivate teachers, the Ministry of Education, Govt of India has been organizing National ICT Award for School Teachers. The awards are given in recognition of effective and innovative integration of ICT in promoting students learning.

For the year 2018 and 2019, adequate advertisements were released and stakeholders in the States/ UTs/ Autonomous bodies were informed well in advance for submission of nominations. Till date, we have received 197 nominations from 33 States/ UTs/ Autonomous bodies under Ministry of Education - GoI and School under Ministry of Defence (Andhra Pradesh, Assam, Bihar, Chhattisgarh, Goa, Gujarat, Haryana, Himachal Pradesh, Jammu & Kashmir, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Manipur, Meghalaya, Mizoram, NCT Delhi, Odisha, Punjab, Rajasthan, Tamil Nadu, Telangana, Tripura, Uttar Pradesh, Uttarakhand, Puducherry, Andaman & Nicobar Islands, CISCE, CBSE, Sainik School Society, KVS and NVS). Details about the nominations received are attached herewith.

As per guidelines of the ICT component under Samagra Shiksha, the selection process for identifying the awardee teachers for ICT Award involves the following:

1. Teachers have to apply to the Directorate of Education of their States/UTs/Autonomous Agencies through their District Education Officer/ Regional Offices. For the first time teachers submitted their entries through ICT Award Portal by filling an online application form (<http://ictaward.ncert.gov.in>)
2. A Committee under the Chairmanship of Secretary (Education)/ Commissioner/ Chairman/ Director of the concerned State/ UTs/ Autonomous Agencies scrutinized all the entries and nominated the shortlisted candidates (double the number of their awards quota) and uploaded the same on the ICT Award portal.
3. These short listed candidates are now required to make presentations before the National Level Jury for the final selection. The composition of the committee is as follows:

a) Director, NCERT	Chairperson
b) DDO, NIC, MeiT, GoI	Member
c) Representative from Secondary Education Bureau, DSE&L, Ministry of Education, GoI	Member
d) Representative from Dept. of IT, MeiT, GoI	Member
e) Joint Director, CIET - NCERT	Member Secretary

The Jury members would evaluate nominations, interact with nominees and recommend the requisite number of awardees to the Ministry of Education – Govt of India. Each awardee teachers will be awarded with a laptop, a silver medal and a commendation certificate. All winners will form a community of resource persons through networking.

Accordingly, a meeting of the Jury members has been scheduled through Online mode from **5th to 9th February, 2021** from 9.00 am to 5.30 pm on all five days.

Keeping in view your expertise in the area, the Director, NCERT has nominated you to participate in the Jury meeting and provide expertise in selection of suitable candidates for National ICT Award for the year 2018 & 2019.

Madam/Sir,

This is with the reference to the subject mentioned above. The blended mode of teaching was discussed in the 547th meeting of the Commission held on 29.05.2020. It was discussed that HEIs should be allowed to teach up to 40% of syllabus of each course (other than SWAYAM course) through online mode and the remaining 60% syllabus of the concerned courses could be taught in offline mode. Examination for both 40% online and 60% offline teaching can be conducted offline. This provision may be created over and above up to 40% of online education permissible for SWAYAM courses. Examinations for SWAYAM Courses are essentially conducted in online mode. To prepare a concept note on Blended mode of teaching the Chairman, UGC has constituted an Expert Committee comprising of the following members:

NATIONAL COUNCIL OF EDUCATIONAL
RESEARCH AND TRAINING

No.F.27-4/2020-21/PMD/PAC
Planning and Monitoring Division

Date: 17th November 2020

Dr. Ashita Raveendran
I/c. Head, PMD

Dear Prof. Bhan,

As you are aware, the National Council of Educational Research and Training (NCERT) is an apex organisation working in the area of school education under the Ministry of Education (MoE), Govt. of India. It assumes the responsibility of advising and assisting the Central and State Governments on policies and programmes for bringing about qualitative improvement in school education. The NCERT functions through its eight constituent units located in different parts of the country viz. National Institute of Education, consisting of 18 Departments/Divisions/Cells at New Delhi; five Regional Institutes of Education (RIEs) located at Ajmer, Bhopal, Bhubaneswar, Mysuru and Umiam (Meghalaya); two Central Institutes Pandit Sunderlal Sharma Central Institute of Vocational Education (PSSCIVE) at Bhopal and Central Institute of Educational Technology (CIET) at New Delhi.

The NCERT discharges its responsibilities by way of conducting research, development, training and extension activities/programmes. The constituents of NCERT undertakes various academic programmes based on the mandate of National Education Policy (NEP) as well as the needs of the States/UTs. These academic programme proposals undergo rigorous scrutiny of various boards/committees before the final approval. One of the most important amongst them is the Departmental Advisory Board (DAB) for which the Director, NCERT nominates eminent academicians and renowned scholars as member. The major role and responsibilities of DAB for the NIE constituents are as follows:

- to consider the programme proposals submitted by Department/Division/Cell in the light of its role and functions.
- to recommend the programme proposals considered suitable by the DAB to the Academic Committee (AC).

It gives me great pleasure in informing you that the Director, NCERT recognising your experience and expertise in the area, has nominated you as an esteemed member of the Departmental Advisory Board (DAB) of Department of Education in Groups of Special Needs (DEGSN) for a period of three years i.e. 2020-2023.

The meeting of the DABs for discussing the programme proposals for the year 2021-22 shall be conducted during December 2020 to January 2021. The Heads of the concerned NIE Department/Divisions/Cell of the constituent unit NCERT, New Delhi shall approach you soon in this regard. It is hoped that your fruitful interventions will help in formulating relevant academic programme proposals and thereby enhance the quality of the programmes.

The Council looks forward to your esteemed participation.

With sincere regards,
(Ashita Raveendran)

Dear Professor Bhan and Dr. Panshikar,

Greetings!

On behalf of all the participants, I would like to thank you for organising an engaging and enlightening workshop on Universal Design for Learning.

Your inputs on UDL and creating an inclusive classroom have been crucial for the Knowledge Transfer Phase of the project 'Connected Learning for Teacher Capacity Building in STEM (CL4STEM)'. All the participants thoroughly enjoyed the workshop and hope to apply the concepts discussed during the workshop in the upcoming project phases.

Thank you once again for your time and we look forward to further collaborations and interactions.

Warm Regards

NATIONAL COUNCIL OF EDUCATIONAL
RESEARCH AND TRAINING

No.F.27-4/2020-21/PMD/PAC
Planning and Monitoring Division

Date: 17th November 2020

Dr. Ashita Raveendran
I/c Head, PMD

Dear Prof. Bhan,

As you are aware, the National Council of Educational Research and Training (NCERT) is an apex organisation working in the area of school education under the Ministry of Education (MoE), Govt. of India. It assumes the responsibility of advising and assisting the Central and State Governments on policies and programmes for bringing about qualitative improvement in school education. The NCERT functions through its eight constituent units located in different parts of the country viz. National Institute of Education, consisting of 18 Departments/Divisions/Cells at New Delhi; five Regional Institutes of Education (RIEs) located at Ajmer, Bhopal, Bhubaneswar, Mysuru and Umiam (Meghalaya); two Central Institutes Pandit Sunderlal Sharma Central Institute of Vocational Education (PSSCIVE) at Bhopal and Central Institute of Educational Technology (CIET) at New Delhi.

The NCERT discharges its responsibilities by way of conducting research, development, training and extension activities/programmes. The constituents of NCERT undertakes various academic programmes based on the mandate of National Education Policy (NEP) as well as the needs of the States/UTs. These academic programme proposals undergo rigorous scrutiny of various boards/committees before the final approval. One of the most important amongst them is the Departmental Advisory Board (DAB) for which the Director, NCERT nominates eminent academicians and renowned scholars as member. The major role and responsibilities of DAB for the NIE constituents are as follows:

- to consider the programme proposals submitted by Department/Division/Cell in the light of its role and functions.
- to recommend the programme proposals considered suitable by the DAB to the Academic Committee (AC).

It gives me great pleasure in informing you that the Director, NCERT recognising your experience and expertise in the area, has nominated you as an esteemed member of the Departmental Advisory Board (DAB) of Department of Education in Groups of Special Needs (DEGSN) for a period of three years i.e. 2020-2023.

The meeting of the DABs for discussing the programme proposals for the year 2021-22 shall be conducted during December 2020 to January 2021. The Heads of the concerned NIE Department/Divisions/Cell of the constituent unit NCERT, New Delhi shall approach you soon in this regard. It is hoped that your fruitful interventions will help in formulating relevant academic programme proposals and thereby enhance the quality of the programmes.

The Council looks forward to your esteemed participation.

With sincere regards,
(Ashita Raveendran)

The Experts Committee Members
(As per the List)

Sub: Meeting of Expert Committee for development of curriculum in Physical Disability (VI, LV) – reg.

Madam/ Sir,

Based on the recommendations derived in the National Workshop held at Guwahati on 6-7 June 2019, the Council has constituted a Core Committee of Experts and conducted several meetings on Convergence of training programmes in the light of RPWD Act, 2016. The Committee recommended new training programmes after convergence of D.Ed. and B.Ed. level training programmes in various disability specializations. In addition, the Committee also recommended top-up training programmes through regular mode of 6 months duration each. The recommendations of the Committee regarding convergence of training programmes in various disability specializations at D.Ed. and B.Ed. level has been approved by the General Council of RCI held on 7/6/2020. List of converged training programmes is annexed herewith.

2. Due to COVID-19, delay occurred in developing curriculum of the new converged training programmes. Since the situation is being normalised now, the Council has decided to convene 02 days meeting of Experts from respective disability field to develop the converged curriculum of the training programmes.

3. The meeting for development of curriculum in Physical Disability (VI, LV) will be held on 1-2 March, 2021 at 10.00 a.m. at Conference Room of RCI, New Delhi. You are requested to make it convenient to attend the meeting on the scheduled date and time and confirm your participation by e-mail at msrci-mseje@nic.in latest by 24 February, 2021.

4. TA / DA will be reimbursed as per Central Govt. rules. However, it is advised to travel only by Air India in economy class & at apex fare and Air tickets may be purchased directly from Airlines (Air India) website or booking Counters of Airlines or by utilizing the services of Authorized Travel Agents viz. M/s Balmer Lawrie & Company, M/s Ashok Travels & Tours and IRCTC.

5. Kindly note that Travel by Private Airlines and booking of Air tickets other than Authorized Travel Agents viz. M/s Balmer Lawrie & Company, M/s Ashok Travels & Tours and IRCTC will not be reimbursed under any circumstances.

With warm regards,

Yours faithfully

Sub: CWSN e-Content – Meeting held on 20/08/2020

A meeting was held on 20th August, 2020, regarding the development of digital learning content for CWSN, under the chairpersonship of Sh. Manoj Ahuja (Chairperson, CBSE).

1. Sh. Manoj Ahuja, Chairperson, CBSE- Chairperson.
2. Dr. Subodh Kumar, Member Secretary, Rehabilitation Council of India (RCI)
3. Dr. Amarendra Behera, JD, CIET, NCERT
4. Prof. Anupam Ahuja, NCERT
5. Sh. Shobhit Gupta Director(IFD), DoSEL
6. Dr. Joseph Emmanuel, Director (Academics), CBSE
7. Dr. Rajiv Singh, Director (Academic), NIOS
8. Sh. Rajnish Kumar, Director, Digital Education, DoSEL, MHRD as Convenor

The key points discussed in the meeting are as follows:

1. PM eVIDYA (a programme for multi-mode access to digital/online education) was launched on 17th May, 2020. The programme highlighted on development of special e-content for visually and hearing impaired students. The National Education Policy 2020 prepared also provided special emphasis to this goal. The Working Group will focus on the objective of development of teaching-learning e-content and its accessibility on the DIKSHA platform for all 21 disabilities mentioned in Act.
2. As the e-content will be hosted on "Diksha", the platform, website and app should be made compliant with accessibility standards in a time bound manner.
3. To meet the objective, three sub-committees may be constituted that would overlook specific tasks related to:
 - a. **DEVELOPMENT OF GUIDELINES FOR DIGITAL CONTENT FOR CWSN.** This is required to ensure that based on these guidelines content can be developed and accepted for upload on Diksha under Vidyadaan. This sub-committee will be headed by Prof. Anupama Ahuja, NCERT, who may add other members on the basis of requirement and their expertise. This sub-committee may present draft guidelines within a month of its formation. The members of the Sub Committee proposed are in Annexure -1. The Chair of sub-committee is authorised to invite more experts as per requirement.

-
- b. **COLLATION OF EXISTING RESOURCES AND ITS UPLOAD ON DIKSHA PORTAL.** This may be pertinent for identifying any gaps in the existing knowledge repository that could then be plugged on a targeted basis. Dr. Behera, CIET will lead this Sub Committee. Members will include representatives from NIOS and other National Organisations. The Sub Committee will also assess the e-content production capability of existing National Level Organisation(s).

- c. **CREATING AN INVENTORY OF COLLEGES AND ORGANISATIONS** that are already working in the field of content development for CWSN. For example: SNTD University, Mumbai; Ramkrishna Foundation College Mission, Coimbatore; Deaf & Dumb Association, Indore. This sub-committee will be headed by Dr. Subodh Kumar, RCI, who may add other members on the basis of requirement and their expertise. This Sub Committee may be finalised by 24-8-2020.

This Sub Committee will also prepare an inventory of dedicated NGOs, organisations, associations, resource persons who can contribute in this endeavour as well as help to produce e-content.

4. Other important aspects that were also discussed in the meeting are as follows:
- a. At present, digital content for CWSN comprises of simple text-to-speech (TTS) conversion of books for accessibility. It is also important to make the audio recordings of study material actually comprehensible, and not just accessible.
 - b. Additional focus needs to be given for development of content for children with intellectual disabilities, and on the means of digital assessment for CWSN.
 - c. For supporting CWSN, NEP 2020 envisions certificate courses for pre-service and in-service teachers to become special educators. The 10-month certificate courses provided by Rehabilitation Council of India (RCI) can be made ODL and put on "Diksha" for early training and availability of certified teachers for CWSN.
 - d. Availability of content - NCERT has signed an MoU with ISL for collaboration and development of courses along Universal Design Learning (UDL) principles. The sign language courses provided by NIOS are in the process of being uploaded on Diksha. Audio recordings of textbooks are being created for radio broadcast under PM eVidya. The Barkha series of books created by NCERT encompassing UDL principles are digitally available for students.
 - e. The Working Group may focus on the development of digital content for CWSN, which in turn will lead to an inclusive society as envisioned under NEP 2020. This may be achieved by focusing on catering to CWSN requirements individually, or by Universal Design Learning principle for all students.

- f. While in the long run we will move towards UDL for all content, at present we may collate all available e-content for CWSN to make it accessible to all. NCERT may develop a training module on UDL for training teachers and content creators.

Dear Prof. Bhan & colleagues from DSE/SDT University,

Welcome to the Connected Learning for teacher capacity building in STEM (CL4STEM).

The aim of this project is to strengthen the capacities of newly qualified teachers of science and mathematics in Nigeria, Tanzania and Bhutan. In this project the CLix Innovation for TPD is the selected innovation to be scaled and implemented in each country's context. Your role in this is central--to ensure inclusion in the adaptation of the CLix innovation.

We seek your collaboration in designing and developing inclusive modules for TPD, and we hope to be working with you over the next six to eight months on this project.

The objectives and goals of the CLix-TPD-innovation to be scaled and implemented include:

1. Offering a module comprising a set of CL4STEM modules to NQT for their professional development using OERs and blended learning
2. Supporting NQTs in their capacity building and translating learning into practice by enrolling them into a mobile-based CoP to support their learning

Our plan to work with you towards this includes the following four activities:

Activity	Description	Timeline
Activity 1: RTICT Mathematics or Science Courses (these courses are used in CLix and involve using CLix-OERs--this will be an introduction to elements of CLixTPD and CLix OERs)	Interested faculty from DSE, SDT participate in online RTICT Mathematics/Science courses to understand how to develop Pedagogical Content Knowledge (PCK) for teachers using OERs and blended learning and curate/create OERs for mathematics and science teaching. <i>We will be meeting you once a week on Wednesdays (Mathematics team)/Thursdays (Science team) during this period.</i>	June 2021
Activity 2: Workshop on Universal Design for Learning (UDL). You will introduce us to approaches to inclusion	TISS faculty and faculty of education from partner countries participate in the workshop you will conduct to understand UDL principles to integrate into the OER curation process	July 2021
Activity 3: Design Thinking Course. We will work jointly to enable contextualisation and adaptation and bring focus on the NQT group.	Collaborate in the design thinking course to adopt the designing thinking processes for curating inclusive OERs and designing wrap around modules following UDL principles for use of OERs to be offered to NQT	August / September 2021
Activity 4: Planning and managing a CoP. Mobile based CoPs are an important tool to build a social learning community and their use is a part of the innovation.	Collaborate in CoP workshop to understand the principles of CoP and social learning in professional development and design inclusive structures for CoP to support NQTs in the partner countries	October /November 2021

Getting started:

Activity 1: RTICT Mathematics or Science Courses, starting from 1st June 2021.

Reflective Teaching with ICT (RTICT) is a programme of TISS that offers several courses for teachers and teacher educators to develop Pedagogical Content Knowledge (PCK) using OERs (including the exemplar CLIX OER) and blended learning. The two courses offered are [S-02a: Reflective Mathematics Teaching \(Geometric Reasoning\)](#) and [S-03a: Interactive Science Teaching \(Experimentation\)](#).

Click on the links to learn more.

These courses will introduce you to (1) knowledge of the concepts, PCK, and pedagogical resources that can be used for mathematics and science teaching; (2) Beliefs and practices regarding inclusion, active and hands-on learning, and the use of ICT in education; (3) Skills required to integrate OERs (ICT based where available) to develop students higher-order thinking and create an active learning environment. We will also create an online Community of Practice (CoP) for each subject to learn from each other and support your capacity building.

To be enrolled in the courses, please register on the [TISSx platform](#) using your email IDs.

- Register on TISSx by going to <https://www.tissx.tiss.edu/register> using your email ID.
- Your account will be activated within 24 hours and you can sign-in to view your course.

We will have our first online interaction on Wednesday 2nd June, 2021 at 3 pm (IST)
(3:30 pm Bhutan time; 10:30 am Nigeria time; 12:30 pm Tanzania time).

Sub: Invitation to partner with Tata Institute of Social Sciences (TISS) on a proposed collaborative research project to strengthen capacities of student teachers and newly qualified teachers for inclusive science and mathematics classrooms

Dear Dr. Bhan,

Centre for Education, Innovation and Action Research (CEIAR), TISS is leading the project 'Connected Learning Innovation' under the aegis of the Global Partnership for Education's Knowledge and Innovation Exchange (KIX). The project builds on the Centre's experience with the multiple award-winning Connected Learning Initiative (CLIX). As part of this project, Open Education Resources (OERs) have been developed using a Design Based Research Approach. CLIX engagement with teachers involves using the OERs to develop better pedagogical content knowledge and practices and supporting participation in communities of practice to take learnings into the classroom. You can learn more about the project and explore the OERs on this site: www.clix.tiss.edu.

The current project aims at developing capacity of Newly Qualified Teachers (NQT) and students teachers of Initial Teacher Education (ITE) programmes in STEM. It involves the use of curated and adapted high quality locally relevant, interactive OERs in STEM and the development of practice through social learning in professional communities of practice (CoP) to develop content and pedagogical knowledge among prospective and newly qualified teachers. The project proposes a design lab approach to work with faculty of education working in ITE and with NQTs in the context of four countries - India, Bhutan, Nigeria and Tanzania.

We would be very pleased you would agree to come on board with your Department for the project in India. TISS can help build capacity to select, curate and adapt of CLIX and other OERs and integrate these into your existing curriculum to enable students to develop TPACK. We will also develop and engage in mobile based communities of practice for professional learning. We solicit your support for designing inclusive content and strategies and to incorporate UDL principles in the OERs.

The proposed implementation will be research-based and will look for evidence of enhanced capacity for inclusive practices in students in ITE and NQTs. Process documentation and discussions in CoPs will also examine learning and practices towards inclusion and equity, specifically addressing learning needs of students with disabilities as it

is currently under researched. The project will also generate knowledge on the processes and aspects that support adapting the innovation for specific local contexts, and practice and conditions to support scaling in these contexts.

We hope the Department of Special Education, SNDT University will be interested in the proposed project and partner with CEIAR, TISS. There will no financial obligations on the part of either partners. We look forward to hearing from you.

Dear All,

As you are aware, we have commenced the Connected Learning for Science and Mathematics project supported by IDRC.

20 faculty of Mathematics and Science education each from Nigeria, Bhutan and Tanzania are identified.

These 60 are the key drivers of the project implementation in their respective countries and the target group for our engagement with knowledge transfer.

The knowledge transfer component of the project is planned in 4 stages:

Phases	Description	Timeline	Who	Status
1 : RTICT Mathematics or Science Courses Purpose: introduction to elements of CLxTPD and CLx OERs Frequency: Synchronous session once a week on Tuesdays (Science team)/ Thursdays (Mathematics team)	Participate in RTICT Mathematics/Science courses to understand how to develop Pedagogical Content Knowledge (PCK) for teachers using OERs and blended learning and curate/create OERs for mathematics and science teaching.	June 2021	Math & Sci domain teams	Math -2 sessions remaining Sci - 1 wrap-up session remaining
2: UDL and Inclusion 2.1 Workshop on Universal Design for Learning (UDL). Purpose: introduction to approaches to	Participate in workshop to understand UDL principles to integrate into the OER curation process	5, 6, & 7 July 2021	SSE, SNDT WU	Plan will be shared early next week
	Work in domain-specific groups to review TISSx	8 July	Domain teams	To plan process of engagement & presentation

2: UDL and Inclusion 2.1 Workshop on Universal Design for Learning (UDL). Purpose: introduction to approaches to inclusion 2.2 Group-work to reflect on UDL framework 2.3 Presentation in groups	Participate in workshop to understand UDL principles to integrate into the OER curation process	5, 6, & 7 July 2021	SSE, SNDT WU	Plan will be shared early next week
	Work in domain-specific groups to review TISSx module using UDL framework and suggest specific changes to make them inclusive	8 July	Domain teams	To plan process of engagement & presentation template
	The previous group-work will be presented	15 July	SSE, SNDT WU	Criteria to evaluate presentations to be evolved

3: Design Thinking course Purpose: This will enable contextualisation and adaptation and bring focus on the NQT group. 3.1 Introduction to design thinking	Participate in the design thinking course to adopt the designing thinking processes for curating OERs and designing wrap around modules for use of OERs to be offered to NQT	27, 28 & 29 July	Jennifer et al (Design course team)	To plan
3.2 Curating resources and designing wrap-around modules		August to September 2021	Subject-domain teams	

4: Planning and managing a CoP. Mobile based CoPs are an important tool to build a social learning community and their use is a part of the innovation.	Participate in CoP workshop to understand the principles of CoP and social learning in professional development and develop strategies to engage, manage and hold the CoP together for NQT	October /November 2021	TPD team	
--	--	------------------------	----------	--

I request:

1. All of us to attend the SNDT team's workshop on UDL
2. Jennifer, Bindu and Anusha to plan for 3-day the introduction to the design-thinking course
3. The subject-domain teams and TPD team to please read this [document](#). I know it is long but it essential that we are all on the same page and understand our roles and the project asks.

Dr. Pratima Tatke

Principal & Professor

C.U. Shah College of Pharmacy

SNDT Women's University

Dear Dr. Tatke,

Greetings from Organisation of Pharmaceutical Producers of India (OPPI).

The Organisation of Pharmaceutical Producers of India (OPPI) established in 1965, represents the research-based pharmaceutical companies in India. OPPI has been committed to supporting the nation's healthcare objectives and collaborating with all stakeholders to find sustainable solutions and believes that the need for innovation must be balanced with the necessity for more accessible medicines, within a robust IP environment. The details on the organization and our member companies is attached for your reference.

OPPI hosts an annual event, named The OPPI Annual Summit, to reflect upcoming challenges and opportunities in the field of healthcare and pharmaceutical sectors. The OPPI awards which are a part of this summit are recognized as gold standard in the industry. The summit is graced by the Ministry of Health & Family Welfare, Industry dignitaries and well-respected personalities in the healthcare field. More information on the OPPI Annual Summit is attached for your reference.

This year we will be hosting the Annual Summit virtually towards the end of October 2021, and it is in this regard that I wish to connect with you.

On behalf of the Executive Committee of OPPI, it is our honour and privilege to request you to participate as a jury member in the OPPI-QCI Quality Award for Excellent Facility of the year, 2021.

About the award:

The COVID-19 pandemic has turned the spotlight on the need of quality products with robust supply chain. The Pharmaceutical industry players as well as the regulatory authorities have always focused on Good Manufacturing Practices (GMP). This is indeed a critical element in any industry, more so in the pharmaceutical industry, where Patient Safety is paramount.

3/17/22, 3:34 PM

BNDT Women's University Mail - Invite to be on the jury for OPPI - QCI Quality Award for Excellent Facility of the year, 2021

OPPI believes that it is critical for the industry to build a quality culture in the country and provide medicines with global quality standards to the patients. With this award we aim to recognize efforts by manufacturing facilities for implementing innovative manufacturing systems led to development of quality culture in the Indian pharmaceutical sector.

The OPPI- QCI Quality Award for Excellent facility is instituted by OPPI to catalyze significant and innovative practices in the manufacturing sector, thereby facilitating a future-looking and sustainable growth for the Indian Industry.

As this is an online process of judging entries, you will receive a user id and password to judge the entries and evaluate some of the best work (there will be a clear evaluation criterion shared with you). There will be no physical meeting of the jury and the entire judging process will be online. The winners will be recognised at the OPPI Annual Summit Celebrations 2021.

Nitika Garg, Director Research will connect with you further to share the details on the jury process. Do let her know of your availability.

Look forward to your acceptance to be on the jury.

Sub: Member of Board of Studies of Bombay College of Pharmacy-Autonomous

Dear Dr. Pratima Tadar,

The IPA MSB's Bombay College of Pharmacy has been conferred with the Academic Autonomous status from July 2019 for a period of 10 years, from the UGC, Government of Maharashtra and the University of Mumbai. In this regard, we invite you to join as member of the Undergraduate Board of Studies as a subject expert from outside the parent University recommended by the Academic Council of Bombay College of Pharmacy.

The tenure is of 3 years for the academic year 2019-2022. There would be minimum two Board of Studies meetings in a year.

The functions of the Board of Studies as per UGC guidelines for Autonomous Colleges 2018 are as follows:

The Board of Studies shall:

- Prepare syllabi for various courses keeping in view the objectives of the college, interest of the stakeholders and national requirement for consideration and approval of the Academic Council.
- Suggest methodologies for innovative teaching and evaluation techniques.
- Suggest panel of names to the Academic Council for appointment of examiners and
- Coordinate research, teaching, extension and other academic activities in the college.

Please find attached the composition of Undergraduate Board of Studies and Post Graduate Board of Studies of Bombay College of Pharmacy as per the UGC Guidelines for Autonomous Colleges, 2018.

We look forward to you being a part of the Board of Studies and help the students of Bombay College of Pharmacy realise their full potential and find their true place in the Pharma world.

Dear Sir,

We take great privilege in communicating to you that our college, a multi-faculty premier institution of higher learning, with an enrolment of more than 4000 students for UG, PG and research programs has been conferred the **Autonomous Status** by UGC vide letter No 22-1/2017(AC) dated 15th July 2020 for a period of ten years (2020-2030) as per provisions of clause 3.13 and clause 6.4(i) of UGC Regulations dated 12.2.18.

The college is one of the oldest institutes established in 1946 by Bharatiya Vidya Bhavan under the visionary leadership of Dr. K. M. Munshi, who was one of the founders of our constitution. The college has been permanently affiliated with the University of Mumbai from 1972 and has received a status of 2(f) and 12(B) from UGC, New Delhi. The college has been re-accredited in 2014-15 by NAAC and awarded A grade with CGPA 3.02 in April 2015. The college has also been accredited by Gujarat Knowledge Consortium with an "A" grade. The college has a robust research culture with its projects receiving major research grants from DST, DBT, UGC, BRNS and Mumbai University to the tune of 1 crore. Its teachers have been conferred the "Best teachers Award 2018 by Mumbai University and are the recipient of Krantibha Jyotiba Phule Aardari Shikshak Puraskar and Dr Radhakrishnan Memorial Award 2018 from International Human Rights Association. The college has an consultancy wing which is NABL certified under the aegis of Bhavan's Research Centre whereby it undertakes industry sponsored projects besides creating job opportunities for its students.

The college which is spread over the 45-acre Bhavan's college campus considers itself privileged and accepts this Confirmation to take a comprehensive autonomy for all the UG and PG courses.

To ensure proper management of academic affairs of the autonomous college an **Board of studies** is to be constituted as per the UGC Regulations of Autonomous Colleges and on behalf of Bharatiya Vidya Bhavan, we take great privilege in **inviting you as its member** on board this august body, so as to be collectively responsible for overseeing the departments activities, determining its future direction, and fostering an academic environment in which the institutional Vision and Mission is achieved. We thus kindly request you to convey your acceptance to the undersigned at the earliest so as to enable us to call for the meeting.

P.S enclosed herewith are the powers & function of the BOS as per the uniform Statute No 3 of 2019 dated 14th Jan 2019 relating to norms for grant of autonomy for affiliating colleges

With Warm Regards

Subject : Nomination on Board of Studies

Sir,

We are very happy to inform you that the University Grants Commission (UGC) has conferred the Autonomous Status to our College vide its letter no: F.22-1/2017(AC) of 22nd December 2020.

As an Autonomous College we need to form the Board of Studies (BoS) in Library and Information Science. As per UGC Guidelines Academic Council should nominate two members on BoS from outside the Parent University.

We would like to inform you that we have suggested your name as one of the members from outside the Parent University.

We urge you to accept our request to be the Member of Board of Studies in Library and Information Science.

Thank you.

**Subject: Appointment as Subject Expert from other than Parent University on the Board of Studies
in Environmental Studies**

Dear Madam,

Mithibai College of Arts, Chauhan Institute of Science, & Amrutben Jivanlal College of Commerce and Economics, the flagship institute of Shri Vile Parle Kelavani Mandal (SVKM) is a premier educational institution in Mumbai. The vision and mission of the college aims to educate students to become competent professionals, advancing the boundaries of their knowledge while simultaneously sensitizing them to the need for compassion and integrity as individuals and global citizens.

The College was granted autonomous status by University Grants Commission from 2018-2019. As per autonomy statutes issued by the Government of Maharashtra, the tenure of the Board of Studies (BOS) is 3 years. After completing the first 3 years, we are reconstituting the BOS as per the statutes.

In this regard, I am pleased to inform you that you have been nominated by the college, as Subject Expert from other than Parent University on the Board of Studies in Environmental Studies from Academic Year 2021-2022 to 2024-2025. Your extensive experience in this area will help design & develop the courses and will help our future endeavours to fill in the current needs in academia, research, and industry.

As a member of the Board of Studies in the subject of Environmental Studies you will be required to render help for modification of present syllabus, development of new syllabi, and suggest measures for achieving excellence in higher education.

Please confirm your acceptance in writing at the earliest. You will be informed well in advance about the meetings, to secure your availability. You are entitled to honorarium and travel allowance.

Looking forward to your valuable contribution to the growth of the institution.

Yours faithfully,

Dr. Krutika Desai
