Dear Madam,

Greetings of the day

Thank you for your email. Two of your students got in touch with me regarding the possibility of the internship programme. We are ready to have both of them for the internship. However, I would like to inform you that it will be an offline internship and students should be ready to visit bastis (slums) in Mumbai and Thane district where Vacha has its interventions with girls. Also, we work on Saturday and Sunday. Monday is a weekly off for us which means they will have to work on weekends as we get maximum participants. This will be an unpaid internship and we will also not be able to provide them travel expenses except during certain events of Vacha.

Ms Steff. Fernando will be the contact person for this internship initially. She has been CC in this email. Students can start their internship from Wednesday 16th.

With best regards,
