Juhu Orientation

2020-21

Orientations were taken for all the courses of all the departments and colleges on campus. All members were given orientation of the library resources and library tour through orientation programmes. The library mainly organized orientation programmes for undergraduate students and user education workshops for post graduate students. The guests, non SNDT and distance education members were also individually guided to enable them to retrieve information from library resources. The objectives of the programmes are to introduce library resources and services and to develop competencies in users to retrieve needed information. The user education programmes were well appreciated by the participant students, teachers, guest members and non SNDT members. In 2020-21, 07 programmes were conducted and 288 participants were trained in the usage of various information resources. There was good use of databases. The services were made available to staff and research students through a password based service.

National Webinar on Human Rights and Covid 19 Pandemic

SNDT Women's University, Mumbai

Department of Lifelong Learning & Extension and

Department of Social Work

Brief report of National level Webinar on Human Rights and COVID-19 jointly organised by the Department of Lifelong Learning & Extension and Department of

Social Work

Introduction

National level Webinar on Human Rights and COVID-19 was jointly organized by SNDT Women's University, Mumbai by the Department of Lifelong Learning & Extension and Department of Social Work on 13th August 2020 from 11 am to 2 pm. Prof. Shashikala Wanjari, Hon'ble Vice Chancellor, SNDT Women's University was the Chief Guest and Prof. Asha Patil, Director, Dept. of Lifelong Learning & Extension was the Convener of the National Webinar and the speakers were Prof. Vijay Raghavan, Centre for Criminology and Justice, School of Social Work, TISS, Mumbai, Mr. Bilal Khan, Convenor, Ghar Banao Ghar Banao Andolan, Mumbai and Prof. Vibhuti Patel, Former Professor, TISS & SNDT Women's University, Mumbai. Following is a brief report of the Webinar.

In the welcome speech of the National level Webinar on Human Rights and COVID-19 Professor Asha Patil, Director, Department of Lifelong Learning and Extension and Head, Department of Social Work introduced the guest to the subject of the National Webinar Human Rights and COVID-19. She gave a brief overview of the subject mentioning that human rights of all are supposed to be protected by the state in every situation. But, during the lockdown period of COVID 19 the rights of most of the women, deprived section of the society, marginalised and migrants have been ignored and denied. Prof. Asha Patil mentioned that in COVID 19 the news reports have been constantly mentioning various cases that the rights of migrants and poor are getting violated and that the migrants especially women had to face a lot of issues. Many were made to leave their jobs and had to suffer a lot as the lockdown was suddenly announced. Hence, this webinar is organized to focus on the issues of those whose rights have been violated and how to ensure that the rights of marginalized and deprived be protected.

After giving the brief overview of the subject of the National Webinar Prof. Asha Patil introduced the Chief Guest of the National Webinar Hon'ble Vice chancellor of SNDT Women's University, Professor Shashikala Wanjari. Dr. Asha mentioned that Madam Vice Chancellor was the recipient of Commonwealth Scholarship and that for one of her books she received an award. And Prof. Shashikala Wanjari has written many papers at international and national conferences and being a Vice Chancellor of SNDT Women's University she

took initiative to organize various seminars and conferences at the local, national and international level.

Professor Wanjari, in her presidential talk congratulated Professor Asha Patil and her team members for organising the National level Webinar on Human Rights. She mentioned that there was an urgent need to organise a national webinar on human rights as for a long time SNDT women's University had not organised any seminar on human rights so this initiative is worth praising. Professor Wanjari mentioned that while thinking of ensuring that human rights of everyone be maintained properly one has to take note of the Sanskrit shloka which goes like ' Sukhasya moolam Dharma' सुखस्य मूलं धर्मः। सुख का मूल धर्म है। meaning with good behaviour we can be happy in our own life. If we will not behave properly with others and if we will not respect others we put ourselves as well as others in problem so, in order to become happy we have to ensure that we behave properly with others and we do not harm others for any reason. VC Madam then described the COVID 19 situation and said that there is another Sanskrit saying which is very much apt for the National Webinar in Human Rights that is ' यतो धर्मः ततो जयः (या, यतो धर्मस्ततो जयः) एक संस्कृत श्लोक है। (इसका मतलब है "जहाँ धर्म है वहाँ जय (जीत) है।" *ato dharma tato Dharmaha* means do you do your duty and ensure that we will maintain ourselves in proper form and behave with others with righteousness in any kind of situation. And remember to follow right meaning of dharma meaning be just with everyone

Prof. Vijay Raghavan, Tata Institute of Social Sciences was introduced to the participants of National Webinar by Prof. Asha Patil. She mentioned that Prof. Raghavan has been working in the field action project of TISS named ' Prayas'. Prayas works for the cause of prisoners. Prof. Raghavan has been working for Prayas for a long time and is known as the person who works in the field of criminology and correction.

Prof. Raghavan in his powerful session addressed various issues of prisoners and gave the details of how COVID 19 has affected the families of prisoners. He mentioned that prisoners are double and triple marginalized as they are criminals so they face a social stigma of bringing criminals and that they are poor and if the prisoner happens to be a woman she has to suffer more. Then he discussed what efforts were taken to ensure that the prisoners who were released from Prison due to COVID crisis to reach their homes. Many prisoners who were released did not have a ration card so they were deprived of rationing facilities and had no means to reach their respective homes. His presentation was based on his fieldwork and research experience. In this speech he explained in detail one case wherein a Muslim woman rescued from the Prison got a shelter in the home of a Hindu family during COVID time. In his talk he explained how TISS raised funds to ensure that released human rights of prisoners would be protected and that they would get to live with dignity. Prof. Raghavan mentioned that at present TISS is working on the research on Prisoners released from the jail due to COVID 19 crisis and their situation.

Then, Dr. Asha Patil introduced the next speaker Mr. Bilal Khan, Convenor, Ghar Banao Ghar Banao Andolan, Mumbai. She mentioned that Mr. Khan has been working with the NGO named ' Ghar Banao Ghar Bachao' by working right in the field from the very beginning of the Lockdown. And that he is closely working with the slum dwellers in the challenging situation of COVID 19.

Mr. Bilal Khan in his very enriching session shared various experiences of working with the slum dwellers in COVID 19 situation. He mentioned that slum dwellers had many issues of living in small houses without daily income in lockdown period. As space was a major crunch as well as main concern of all slum dwellers. In small hut it was just not possible to ensure that social/physical distancing will be observed properly. Initially, it was very difficult for the NGO to get funds to provide food to the needy slum dwellers. But by using social media they could raise funds from donors. And with the donation amount 'Ghar Banao Ghar Bachao' NGO could start community Kitchens in and around Mumbai. Mr. Bilal Khan also mentioned the NGOs work of protecting the rights of slum dwellers especially peoples' right to food could be protected with the help of local people and due to the presence of generous donors.

Afterword Prof. Asha Patil and Prof. Vibhuti Patel, Former Professor, TISS & SNDT Women's University, Mumbai. Dr. Asha also mentioned that Prof. Vibhuti Patel has been very closely related to both the Departments of SNDT which is holding the present National Webinar.

Prof. Vibhuti Patel with her first-hand experience of working with the NGOs gave a detailed statistics of how COVID 19 had affected the life of people especially women. And people are suffering and dying due to lock-down. People are losing their jobs and they are deprived of basic facilities. She quoted lot of cases and incidences wherein women's rights as human rights were violated. In the COVID 19 situation many pregnant women were denied entry into hospital as their COVID test had not happened. So many (17%) women gave birth to kids in their homes. As maternity wards of the hospitals were converted into COVID wards. Child marriages had taken place in the COVID 19 period and no one paid attention to it. Sex workers found it difficult to survive. They needed help but no one could come forward. Disables had their concerns as they were not cared. Various cases of cyber stalking had happened. Migrants pity was not understood by government.

The 'National level Webinar on Human Rights and COVID 19' ended with the vote of thanks proposed by Dr. Rohini Sudhakar, Associate Professor, Department of Lifelong Learning & Extension. She proposed vote of thanks to Prof. Shashikala Wanjari, Hon'ble Vice Chancellor, SNDT Women's University, Mumbai for giving her presidential address and mentioning her thoughts on Human Rights.
