Subject: Change in the intake capacity for select UG and PG Programs.

Sir/Madam,

As part of our ongoing efforts to align our academic offerings with industry demands and student interests, the university has decided to change the intake for selected UG and PG programs. The intake capacity is changed from the academic session 2018-19 onwards till the further orders.

List of programs with changed intake is enclosed for ready reference. The programs for which the intake capacity is changed is highlighted. Please note that there will be no change in intake of other programs which are not given in the attached list.

This decision has been made to ensure that our students receive the best possible education and career opportunities.

We appreciate your understanding and cooperation in this matter. If you have any questions or concerns, please reach out to the administration office of the University.
